WE WILL HELP A MINIMUM OF 100,000 VETERANS FIND EMPLOYMENT BY 2020

Dear Corporate Sponsor:

We are pleased to learn of your interest in the VetFriendly Jobs Initiative brought to you by Disabled American Veterans (DAV), and Veteran Recruiting (VR). Together we are challenging American businesses to join us in finding jobs for at least 100,000 veterans by the end of 2020. The nation's veterans represent the best this country has to offer, and through the VetFriendly Initiative, we hope to educate more employers of the benefits realized when hiring our Nation's finest.

By joining the VetFriendly Jobs Initiative, your business will have a direct impact on the very lives of the men and women who have served and sacrificed protecting us all. You will find details on the VetFriendly Jobs Initiative as you read on, and we encourage you to look through the materials to determine if this is an effort your company may want to support.

Sincerely,

What is the VetFriendly Jobs Initiative?

DAV and VR are teaming up to address an often forgotten portion of the veteran population as it relates to employment, the Disabled Veteran. Through the VetFriendly Jobs Initiative, industry leading companies will be given access to a wide range of highly qualified veteran talent that may be seeking employment, and who also has a disability as a result of their service to the country. By educating employers on what a disabled veteran brings to the table, and the wide range of skills they bring to the table, we will help at least 10,000 disabled veterans find rewarding careers, and reduce the stigma often associated when an employer hears the term disabled veteran.

Why a Business Should Join

Your company will join a growing list of industry leading companies who recognize and value the skills, training, commitment, education, and character that veterans represent. You will benefit from learning what other companies are doing to recruit, hire, and retain top veteran talent. Each company who supports the VetFriendly Jobs Initiative will greatly benefit from adding more diversity, veterans, and workers with disabilities to their workforce.

What is a Virtual Career Fair?

The Virtual Career Fair is a fully interactive, 3D environment that allows an employer and job seeker to meet and interact in an efficient, effective and environmentally friendly manner.

The Virtual Career Fair allows an employer to:

- Meet with veterans nationwide in real time
- Recruit nationwide in one day
- Project a cutting edge image
- Reduce carbon footprint

How it Works

Veteran Recruiting will design a virtual booth that matches your company image and brand. Each virtual booth includes a video greeting, information tabs, live chat, and contact buttons.

Virtual Career Fair Features

- Company booth holds content and materials to educate the veteran on who your company is, what you have to offer, and why they should consider joining your team
- Live chat
- Tracking and reporting of all attendees that visit your booth
- Company video
- Social media integration

Pledge of Support Certificate

**Pledge of Support
TO HIRE VETERANS**

WHEREAS, as employers of the United States of America, we acknowledge the tremendous sacrifices our veterans have endured defending our great nation.

WHEREAS, we recognize that many of our veterans struggle to find suitable employment after service

WHEREAS, we recognize and value the skills, training, motivation, education, and character that veterans add to the workforce.

NOW THEREFORE;

- We will make every effort to recruit, hire, and retain veterans
- We will report on a quarterly basis to the best of our ability, the number of veterans added to our workforce (who self-identify)
- We will continue to strive for new and innovative ways to recruit veterans
- We will provide a suitable and accessible work environment to veterans
- We will ensure our managers and supervisors have the skills and tools necessary to effectively recruit veterans
- We fully recognize, honor and enforce the Uniformed Service Employment and Reemployment Rights act (USERRA)
